AMENDMENT TO STANDING ORDER ON CONFIDENTIALITY OF JUVENILE RECORDS

The Fresno County Juvenile Court's Standing order on Confidentiality of Juvenile Records filed on September 8, 1993, is hereby amended by adding a new subsection 3 to section III (RELEASE OF DOCUMENTS), which reads as follows:

J. The documents referenced below may be released to those agencies or individuals as specified herein.

1. CPS is authorized to disclose to the parties and their actual or prospective counsel at a dependency court detention hearing such documents as CPS deems to be appropriate as part of its prima facie statement including, but not limited to, the identity of all persons who reported any allegation of child abuse or neglect (see Penal code §11167, subd. (d)). If CPS chooses to delete the identification of the reporting party or parties, and a party to the dependency proceeding wants the identification disclosed, then that party may request that the Court order such disclosure. The Court shall not issue such an order except for good cause shown and only after an in camera review with CPS and/or its attorney of record having an opportunity to be heard.
2. In cases where a minor who has been taken into custody by CPS is abducted, then CPS may provide to the Child Abduction Unit of the District Attorney's office the following documents and information:
 - a. Copies of any law enforcement reports which brought the matter to the attention of CPS;
 - b. Copies of the juvenile dependency petition concerning that minor;
 - c. Copies of all minute orders or other Court orders which show the Juvenile Court's jurisdiction over the minor, any knowledge of this jurisdiction by the suspected child abductor(s), and/or any appearance before the Court by the suspected child abductor(s);
 - d. Copies of any warrants or body attachments for the child or suspected child abductor(s);
 - e. Any addresses, telephone numbers, or other identifying information which could assist the District Attorney's office in locating the child or suspected child abductor(s).

3. **Whenever a law enforcement agency has prepared a report referencing one or more juveniles involved in an incident related to school activity or attendance that occurred at any time within the scope of Education Code section 48900, the agency may release that report to a school official, or other person authorized to act on behalf of the school, provided that the requesting person declares under penalty of perjury that the information in the report will be used exclusively for purposes of possible Suspension, expulsion, or other disciplinary action against one or more minors referenced in the report and/or for seeking restitution under Education Code section 48904.**

4. Whenever a law enforcement agency has prepared a report referencing one or more juveniles involved in an incident occurring on any premises owned or operated by a local public housing authority, the agency may release that report to an official or other person authorized to act on behalf of the local public housing authority, provided that the requesting person declares under penalty of perjury that the information in the report will be used exclusively for purposes of possible eviction proceedings pursuant to 24 Code of Federal Regulations section 466.4 (1) and/or for seeking restitution.

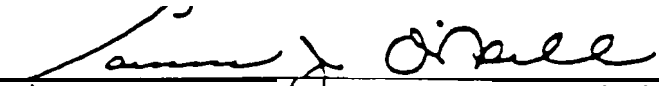

5. Whenever a juvenile has been assessed a fine or otherwise has been ordered by the Juvenile Court to pay monies to the county, and that juvenile is 90 or more days delinquent in such payment, then the County Clerk's Office is authorized to release to the Revenue Reimbursement Division (RRD) of the Auditor-Controller/Treasurer-Tax Collector's Office the social security number, delinquent fine amount, address, telephone number, and such other identifying information as is reasonably necessary for RRD to attempt to collect said delinquent monies.

IT IS SO ORDERED.
