Dear Ms. Calvin:

It is my determination as the Hearing Officer at your April 10, 2002 hearing to reverse your April 26, 2002 termination from the Section 8 Rent Assistance Program. The Waterloo Housing Authority (WHA) Notice dated March 26, 2002 specifies "violent criminal activity" as the grounds for the termination and directs your attention to a recent arrest. This implies that the recent-arrest is the only basis for the termination.

No specific information regarding this arrest was provided and is not sufficient to terminate your Section 8 Rent Assistance Voucher.

If you have further questions please contact the WHA staff.

Sincerely,

*Cindi Brokaw*
