

Community Lawyering September 16 – 18, 2020

Community Lawyering brings a new mindset to equal justice advocacy and provides concrete steps to build and sustain strong relationships among community members. You'll learn how to garner and activate issues identified by the community, lead a successful advocacy and media campaign, and facilitate leadership. We'll share real-life examples from groups across the country. You can even organize this course in conjunction with your local community leaders and create a relationship building exercise.
